

BRICK ORDER FORM

In the garden, you will find bricks engraved with the names, lives and memories of the children being remembered by friends and family. Each brick becomes a concrete place for loved ones to gather that isn't a cemetery--a place in a park where children can be heard playing and where the surroundings are serene and healing. New bricks are added to the memorial in a special ceremony twice a year.

follow us on facebook for event information

Each brick includes up to three lines of engraving with up to 15 characters per line. Spaces, numbers, dashes, etc. count as a character. Allowable symbols include the ampersand (&) and the heart symbol. Lines are automatically spaced and centered by the engraver.

To place your order, please mail the printed and completed form with a check to the address listed on the order form.
